

ERISA & IRS Compliance Requirements for the ACA

LaPorte invites you to attend a presentation and discussion regarding compliance and the ACA. The topics covered will include ERISA wrap plans, IRS tracking and reporting as well as additional ACA related topics. Compliance in regards to the ACA has become one of the most important and pressing issues facing business owners today, regardless of size. This seminar is one of the most important that we have ever hosted and we are fortunate to have the expertise of our key note speakers; Tom Kramer and Kara Backus.
